Announcing Online Dating Just for Scrum Masters and Product Owners

We've been hard at work behind the scenes on a new project. And we're finally ready to unveil it today.

Announcing: ScrumMasterLove.com, the world's only dating site for Scrum Masters and product owners.

If, as a busy Scrum Master or product owner you've ever struggled to find the right person to date, I think you'll find what you're looking for at ScrumMasterLove.com.
